Very Important Notice

Re: Change of Premises 2018-19 school year

Dear Parents, Carers and Rustam Community,

Due to the ongoing building programme, Rustam can no longer be accommodated at Parliament Hill School. Therefore we have been compelled to look for an alternative host school at extremely short notice. We have agreed to move to Fortismere School in Muswell Hill as our new venue for next school year. Further details will be announced soon.

In order to maintain our status as an educational, social and community hub we have very specific operational needs. We have been looking for a new home that will enable us to continue to provide, if not improve on our services. Accessibility and parking are also key areas for consideration. An intense search to find the best fit for us has been in progress.

Meanwhile please be assured that we are operating in your children's and wider Rustam community's best interest and are doing our utmost to ensure that there is as little disruption as possible. You can keep update via the class text/whatsapp groups, www.rustamschool.org.uk or Rustam School social media channels.

We sincerely apologise for any anxiety or inconvenience this has or will cause. Please feel free to contact the school with any concerns and we thank you for your continued support and understanding.

Kind Regards

The Board of Governors
Rustam School
